## SACRED HEART NOVENA 4<sup>TH</sup> TO 12<sup>TH</sup> JUNE

**12 NOON AND 7 PM: MASS AND BENEDICTION**

**(SUNDAY: 10.30 AM AND 7 PM)**

We are pleased to announce that the **Sacred Heart Novena** will take place this year from 4<sup>th</sup> June to 12<sup>th</sup> June at the Sacred Heart Church in Limerick. The Novena can be fulfilled by attending one of the two daily liturgical sessions. The first will be at 12 noon and the second at 7pm every day during the Novena. The programme will begin with Holy Mass and then be followed by a brief sermon, Exposition and Benediction, as well as the novena prayer.

Confessions will be available during the ceremonies. We look forward to your presence this year!

### 12<sup>TH</sup> JUNE AT 7 PM

**HOLY MASS FOLLOWED BY THE RENEWAL OF THE CONSECRATION  
OF IRELAND TO THE MOST SACRED HEART OF JESUS.**

Excerpt of the homily delivered by His Excellency  
Francis Bacqué on 22<sup>nd</sup> May:

“The Sacred Heart is Christ crucified. He is the love of God for men. Priests and consecrated persons should draw their strength from the heart of Jesus. They should sanctify their own heart by drawing and conforming to the Sacred Heart. And all of us, as Christians, we are invited to do the same. Saint Augustine said “The entrance is open: Christ is a door which is open for you, since his side has been open by the lance.”

## UPCOMING PRIESTLY ORDINATIONS

Hubert de Salaberry

Jean-Baptiste Commins

Guillaume Fenoll

Damien de la Pintièrre

Edward Gardner

Frederick de Martin

Remi Téqui

While in many locations the Church is experiencing some difficulties in attracting vocations, the Institute is very blessed to announce the July 2015 ordination of 11 young men to the priesthood!

This 1<sup>st</sup> July seven seminarians will be ordained to the Diaconate. Then, the following day The Reverend Misters Jean-Baptiste Commins, Pierre Dumain, Guillaume Fenoll, Edward Gardner, Damien de la Pintièrre, Frédéric de Martin, Vianney Poucin de Wouilt, Hubert de Salaberry, Adrian Sequeira, Scott Tanner, and Remi Téqui will be ordained to the Holy Priesthood.

Please keep them in your prayers as they approach this important step in their lives. Give thanks to God as well for so many generous young men who have answered their vocation.

## FIRST MASS OF A NEWLY ORDAINED PRIEST

The joy of ordaining 11 new priests will not be only limited to Florence and the confines of the Institute of Christ the King's seminary in Italy, but it shall spill over, all of the way into Ireland!

On 7<sup>th</sup> July 2015, only days after his ordination to the priesthood, the future Canon **Frederick de Martin** will say a first mass at the Sacred Heart Church in Limerick!

After the mass he will give out his first traditional priestly blessing to those in attendance. We look forward to a numerous Irish presence at this occasion as testament of your love for the Church and the Holy Priesthood.

**TUESDAY 7<sup>TH</sup> JULY: 7 PM AT SACRED HEART CHURCH

## PROGRESS REPORT AT SACRED HEART CHURCH

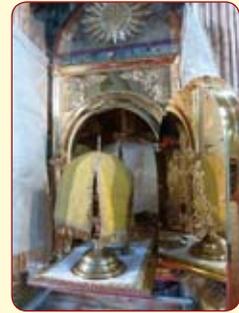

### *NEW TABERNACLE IS NOW INSTALLED*

After many months of planning and waiting the new tabernacle at the Sacred Heart Church has been fully installed! Highlighted by a Sacred Heart, the design is truly beautiful and the only one like it in all of Ireland.

What a fitting offering to the heart which has given so much to us. Not only is it beautiful, but practical as well. The built-in sliding shelf allows easy access to the Blessed Sacrament inside. In a world that has lost the sense of beauty, it is a great blessing to see that artisans exist that can still produce awe-inspiring artwork to the glorification of God. Permit us to renew our gratitude for all of the benefactors and prayers that made this important project a reality.

### *CHANDELIERS-BULBS AND WIRING:*

Many recent visitors to the Sacred Heart Church have voiced their enthusiastic approval of the 12 new chandeliers now hanging in the church nave. They say the church looks less empty and is that much closer to being fully restored. Their only regret is that we are unable to light them.

Still awaiting sufficient funds, we must have them all wired to a new control panel. Wire, switches and several other elements are wanting. In addition, we must raise the funds for the energy efficient lightbulbs that a Limerick company has sourced for us.

Though dear to install at roughly 10 euros a bulb (we will need 300!) this design will quickly pay for itself by way of a drastically lower electric bill.

Benefactors are being sought to offer one or several bulbs...
